CHLORHEX 2X 4% SHAMPOO

Vedco

an antiseptic cleansing shampoo

FOR USE IN DOGS, CATS & HORSES

ACTIVE INGREDIENT:

Chlorhexidine 4%

DIRECTIONS FOR USE:

Wet coat thoroughly with water and work sufficient shampoo over as large an area as will allow a mild lather to develop. Then proceed to lather another area. When the entire coat is treated, allow to stand for 5 to 10 minutes. Rinse thoroughly with water. Repeat procedure if necessary.

PRODUCT DESCRIPTION:

ChlorHex 2X 4% is a full strength antimicrobial shampoo containing penetrating agents and emollients for optimal therapeutic effectiveness.

INDICATIONS:

For mild to severe dermatological conditions in dogs, cats and horses where a full strength antiseptic, antimicrobial, cleansing and deodorizing formulation may be of benefit.

PRECAUTIONS:

For topical use only on dogs, cats and horses. Avoid contact with eyes. Store product at room temperature, protected from light. If irritation develops, discontinue use and consult your veterinarian.

For animal use only

Keep out of reach of children
