Kinetic

Apple Flavor

Sodium Hyaluonate

- Clinically Proven Results

- 200 mg HA per ounce

JOINT CARE

Developed by Veterinarians

Product Facts

Active Ingredients per ounce:

Hyaluronic Acid (sodium)	200 mg
--------------------------	--------

Inactive Ingredients: Carboxymethylcellulose, citric acid, distilled water, natural apple flavoring, propylene glycol and sodium benzoate.

Cautions: Safe use in pregnant animals or animals intended for breeding has not been proven. An examination from a veterinarian is recommended prior to using this product. If animal's condition worsens or does not improve, stop product administration and consult your veterinarian. Administer during or after the animal has eaten to reduce the incidence of gastrointestinal upset. Do not administer to cattle or other ruminants. **For use in horses only. Recommended to support healthy joint function.**

Directions for Use: Maintenance: 1/2 ounce (15 ml) or 1 pump per 1200 lbs. once daily. Quality can be doubled for initial 7 days or prior to competition. Can be given during or after meal time. *Direcciones de uso: Mantenimiento: 1/2 onza(15ml) por cada 1,200 lbs una vez al dia. La cantidad puede ser doble en los primeros 7 dias o antes de la competencia. Se puede administrar al momento y después de comer.*

Warnings: For animal use only. Keep out of the reach of children and other animals. In case of accidental overdose, contact a health professional immediately. This product should not be given to animals intended for human consumption. Protect from heat, light and moisture. Store at 15-30°C (59-86°F).
