CONQUER® WOUND SPRAY

Kinetic

For Hot Spots

Antibacterial

Non-Stinging

Promotes rapid healing

Developed by Veterinarians

Wound Spray is a veterinarian formulated chelated silver spray for dogs and cats. Painless when applied and 100% safe and non-toxic. Can be used on cuts, burns, abrasions, flea and insect bites, skin rashes, hot spots and superficial dermatitis. Medical research shows that silver promotes more rapid healing.

Exclusively Patented Formulation:

Chelated silver, distilled water.

Directions:

Clean wound of debris and dirt. Apply 3-4 sprays twice daily directly to the wound. Treat daily as needed; there is no need for any other ointments or salves. Apply clean gauze dressing where needed.

Warnings:

Consult your veterinarian immediately if symptoms persist or conditions worsen. Avoid contact with eyes. For external use only. Keep out of reach of children.
