## CRANBERRY PLUS CHEWABLE TABLETS

Pala-Tech

**CANINE**

**FELINE**

(Cranberry Extract, Echinacea, Oregon Grape Root & Sodium Ascorbate)

### **100% PALATABILITY ACCEPTANCE**

#### **For Veterinary Use in Dogs and Cats**

Pala-Tech™ Cranberry Plus Chewable Tablets is a natural dietary supplement for use in dogs and cats containing ingredients known to be beneficial for the animal's urinary tract and to help prevent infection of the urogenital system. Cranberry extract will support and maintain the healthy function of the urinary tract. It will help minimize bacterial colonization of the bladder mucosa. Echinacea helps to support the body's natural resistance and boost the activity of the animal's immune system. Oregon Grape Root and Sodium Ascorbate are proven beneficial anti-oxidants.

**Recommended Use:** The following dosage is recommended for the daily administration of Pala-Tech™ Cranberry Plus Chewable Tablets. Consult with your veterinarian to determine the proper dosage and schedule for each individual animal prescribed this product.

1 tablet/45 lbs. (20 kg) body weight daily

For best results during UTI occurrence, use 1 tablet/45 lbs. (20 kg) every 12 hours.

**Administration:** Pala-Tech™ Cranberry Plus Chewable Tablets are formulated with a proprietary, highly palatable chicken liver flavor to ensure all dogs and cats will readily consume the tablet. Administer free choice orally to the pet as a treat, or crumble over the pet's food at mealtime at the prescribed dose. If crumbled over food, consumption should be monitored.

**Active ingredients (per chewable tablet):**

Cranberry Extract ( <i>from Vaccinium macrocarpon</i> )	210 mg
Echinacea Purpurea	105 mg
Oregon Grape Root	34 mg
Sodium Ascorbate ( <i>Vitamin C</i> )	34 mg

**Inactive Ingredients:** Cellulose, Hydrolyzed Vegetable Protein, Lactose, Magnesium Stearate, Natural Chicken Flavor, Silicone Dioxide, Stearic Acid and Sucrose.

**KEEP OUT OF REACH OF CHILDREN**

Store at room temperature; 15°C-30°C (59°F-86°F). Avoid excessive heat.
