EQUINE VITAMIN E-1000 WITH SELENIUM POWDER

Vetri-Science

An Antioxidant Formula

FOR HORSES

Veterinarian Approved

Product Facts:

Active Ingredients Per 28 g Scoop:

Vitamin E (dl-alpha Tocopheryl Acetate)	1000 IU
Selenium (as Sodium Selenite)	1.0 mg

Inactive Ingredients: alfalfa meal, apple flavoring, calcium carbonate, corn oil (dust control), propionic acid, vitamin E complex.

Cautions: Safe use in pregnant animals or animals intended for breeding has not been proven.

If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.

For use in horses only.

Vitamin E and Selenium have long been recognized as potent antioxidants. Antioxidants protect cells from free radicals, which are unstable molecules. Free radical production is a normal part of metabolism, however production can increase during times of physical or environmental stress.

Directions for Use:

Foal over 6 months and Idle Adult

1/2 scoop daily

Lactating/Gestating Mares

1 scoop daily

Adult/Light Work

1 - 1 1/2 scoops daily

Adult/Intense Work

2 scoops daily

Warnings: For animal use only.

Keep out of the reach of children and animals. In case of accidental overdose, contact a health professional immediately.

This product should not be given to animals intended for human consumption.

This product is packaged by weight, not by volume. Some settling may occur.

Store in a cool, dry place.

Keep container tightly closed.
