#### **Inactive Ingredients:**

brewers yeast, natural imitation roast chicken flavor, silicon dioxide, stearic acid.

GlycOmega™ is a trademark of Aroma New Zealand Ltd.

**Cautions:**

Safe use in pregnant animals or animals intended for breeding has not been proven.

Consult with your veterinarian before using this product in animals: with clotting disorders; being treated with anticoagulant medications; diabetes, or any metabolic disorder causing hyperglycemia; history of urinary tract stones; known allergies to shellfish.

If lameness worsens, discontinue use and contact your veterinarian.

Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset.

**For use in dogs only.**

**GLYCO-FLEX® II** represents Stage II of our comprehensive stage of life program for dogs needing intermediate joint support. These delicious natural imitation roast chicken flavored chewable tablets are recommended by veterinarians for dogs with a moderate need for joint support, adult and maturing dogs, sporting and working breeds, as well as a follow-up to orthopedic surgery.

**Directions for Use:**

**Initial: (4 - 6 Weeks)**

Up to 30 lbs:	1/2 tablet daily
31 - 60 lbs:	1 tablets daily
61 - 100 lbs:	2 tablets daily
