## MICRO PEARLS ADVANTAGE™ DERMAL-SOOTHE™ ANTI-ITCH SPRAY

Vétoquinol USA

### **FOR DOGS & CATS**

**CAUTION: FEDERAL LAW (USA) RESTRICTS THIS DRUG TO USE BY OR ON THE ORDER OF A LICENSED VETERINARIAN.**

*The only anti-itch spray with Novasome® microvesicles*

*Patented continuous moisture release*

### **INDICATIONS:**

A soothing, anti-itch, moisturizing spray for application after shampooing or between shampoos as needed. Aids in the relief of itching and flaking due to dry skin. May be used with other medicated shampoos as directed by your veterinarian.

### **DESCRIPTION:**

Dermal-Soothe™ Anti-Itch Spray is a remarkable breakthrough in animal health care technology. Dermal-Soothe™ Anti-Itch Spray contains itch relieving Pramoxine HCl and NOVASOME® microvesicles designed to deliver long-lasting moisture factors to the hair and epidermal layers in a humidifying spray containing Lactamide MEA. The result is an itch relieving spray that leaves your pet a coat that is soft, supple and lustrous.

### **DIRECTIONS:**

Shake well. Spray liberally onto damp or dry coat, allowing spray to reach the skin. Repeat as necessary.

### **INGREDIENTS:**

Pramoxine HCl 1%, in base containing Lactamide MEA (a Lactic Acid derivative emollient) and NOVASOME<sup>®</sup> microvesicles.

**PRECAUTIONS:**

For topical use only on dogs and cats. Avoid contact with eyes and mucous membranes. Discontinue use if skin becomes irritated or inflamed.

**KEEP OUT OF REACH OF CHILDREN.**

**FOR ANIMAL USE ONLY.**
