MICRO PEARLS® ADVANTAGE HYDRA-PEARLS™ REHYDRATING SHAMPOO

Vétoquinol USA

FOR DOGS & CATS

VET® Solutions

Available through licensed veterinarians

A rehydrating shampoo with Novasome® microvesicles for normal skin

Patented Continuous Moisture Release

INDICATIONS:

A pH balanced, conditioning shampoo for routine cleansing and moisturizing of normal, dry or sensitive skin. Counteracts the drying effects of the environment, as well as the drying effects of flea control products and medicated shampoos. May be used prior to the application of Micro Pearls® Advantage medicated shampoos as directed by your veterinarian.

DESCRIPTION:

Micro Pearls® Advantage HYDRA PEARLS™ Shampoo is a remarkable breakthrough in animal healthcare technology. HYDRA PEARLS™ Shampoo contains microtargeted Novasome® microvesicles designed to deliver long lasting moisture factors to the hair shafts and epidermal layers. The result is a healthy, lustrous coat that is cleaned and moisturized. Safe for use on dogs and cats.

DIRECTIONS:

Remove foil seal prior to use. Shake well. Wet coat thoroughly before applying shampoo. Work into coat until a mild lather is produced. Allow to stand for 10-15 minutes. Rinse thoroughly. Repeat if necessary.

INGREDIENTS:

Contains Novasome[®] encapsulated moisturizers in a pH balanced concentrated shampoo base.

PRECAUTIONS:

For topical use only on dogs and cats. Avoid contact with eyes and mucous membranes. Discontinue use if skin becomes irritated or inflamed.

KEEP OUT OF REACH OF CHILDREN. FOR ANIMAL USE ONLY.

Novasome[®] is a registered trademark of Micro Pak, Inc.
